A Luxury Grand Journey Bridging America, Azore Islands & Catalonia  
April 2<sup>nd</sup> – 19<sup>th</sup>, 2025 - Miami to Barcelona**

Pivot from Miami's potent playground to the peach-sand beaches and beautiful shallow reefs of Bermuda – inspiration, some say, for Shakespeare's *The Tempest*. More Mid-Atlantic mystique unfolds in the rugged and remote Azores, a lunar-like island cluster of crater lakes and black sand beaches, its volcanic peaks and verdant hillsides cloaked in cloud forest. Lisbon beckons us gently back to earth, its colour and culinary joie de vivre a stepping-stone to the Costa Calida, Valencia and having-a-ball Barcelona.
